III. GENERAL ENROLLMENT PROVISIONS

V. APPLICATION AND ENROLLMENT PROCEDURES

- A. Interested families will submit applications up until the Minnesota Excellence in Learning Academy. The board of directors may change the deadline for applications for the next school year by resolution without changing this policy.
- B. Minnesota Excellence in Learning Academy will accept applications for admission to Grades K-3, for which up to 225 total students will be accepted. The board of directors may increase one or more grades' capacity by resolution and without changing this policy prior to the date on which applications close.
- C. Formal recruitment of incoming students will begin before or during November of each year. The school will encourage families to meet with the faculty, staff and/or board members to discuss the value of Minnesota Excellence in Learning Academy, and its expectations of students and their families.
- D. Once the application period is closed, if there are more applicants than spots available, all timely applicants will be placed on one of two lists by grade: (a) a preference list of students given preference by state law or this policy, and (b) all other applicants. Both lists will shuffled and offers of enrollment will be made to students in the order in which they are listed for each grade until classes are full, first exhausting the preference list, and then proceeding to the non-preference applicants.
 - 1. This lottery will be held no later than the first Monday after the student application deadline, sufficiently prior to the annual April 1 deadline for notifying the student's district of residence for transportation services.

2. Notice of the lottery will be made public via website and local news outlets.

VI. LOTTERY

- A. A "sibling" is defined as a student applicant who is related to an enrolled student with the same father and/or mother either (1) genetically, or (2) through legal process, i.e., adoption, guardianship, or foster parent. Sibling preference does not apply until one of the siblings is actually enrolled.
- B. Siblings of currently enrolled students will be given first priority. If there are more sibling applicants than spots for a particular grade, the sibling applicants will be shuffled by lot each year and then offers of enrollment will be made in the order drawn.
- C. Second priority will be given to children of school staff. If a staff member's employment is ended for any reason, the child moves to the end of the non-preferential waiting list.
- D. Once all sibling applicants and children of school staff have been placed, other applicants will be offered enrollment in their order on the non-preferential applicant waiting list determined by lottery.
- E. If any student, whether enrolled or on the waiting list, cancels their application or withdraws from Minnesota Excellence in Learning Academy, they shall lose their place. If they later re-apply, they shall be treated as a new applicant.
- F. All applicants still on a waiting list at the beginning of the next enrollment period must submit a new application for enrollment and will be subject to the enrollment process described above. The waiting lists do not carry over from year to year.
